This plan provides extensive coverage of services to prevent, diagnose, and treat diseases or conditions of the teeth and supporting tissues. Presented are just some of the most common procedures covered in your plan. Please see the Certificate of Coverage for a complete plan description, limitations, and exclusions.

Exclusions and Limitations

Exclusions

Bridges, crowns, dentures, or prosthetic devices requiring multiple treatment dates or fittings if the prosthetic item is installed or delivered more than 60 days after termination of coverage.

The completion or delivery of treatments or services initiated prior to the effective date of coverage.

Dental implants, including attachment devices and maintenance.

Endodontic services, prosthetic services, and implants that were provided prior to the effective date of coverage.

Endodontic therapy completed more than 60 days after termination of coverage.

Exams or consultations needed solely in connection with a service that is not covered.

Experimental or investigational services and related exams or consultations.

Full mouth reconstruction, including the extensive restoration of the mouth with crowns, bridges, or implants; and occlusal rehabilitation, including crowns, bridges, or implants used for the purpose of splinting, altering vertical dimension, restoring occlusions or correcting attrition, abrasion, or erosion.

General anesthesia, moderate sedation and deep sedation.

Hospital care or other care outside of a dental office for dental procedures, physician services, or facility fees.

Maxillofacial prosthetic services.

Nightguards.

Orthognathic surgery.

Personalized restorations.

Plastic, reconstructive, or cosmetic surgery and other services, which are primarily intended to improve, alter, or enhance appearance.

Prescription and over-the-counter drugs and pre-medications.

Provider charges for a missed appointment or appointment cancelled without 24 hours prior notice.

Replacement of lost, missing, or stolen dental appliances.

Replacement of dental appliances that are damaged due to abuse, misuse, or neglect.

Services for which coverage is available under any federal, state, or other governmental program, unless required by law.

Services not included in the contract.

Services where there is no evidence of pathology, dysfunction, or disease other than covered preventive services.

Limitations

If alternative services can be used to treat a condition, the service recommended by the Willamette Dental Group dentist is covered.

Services listed in the contract, which are provided to correct congenital anomalies will be covered for dependent children if dental necessity has been established.

Crowns, casts, or other indirect fabricated restorations are covered only if dentally necessary and if recommended by the Willamette Dental Group dentist.

If the initial root canal therapy was performed by a Willamette Dental Group dentist, the retreatment of the root canal therapy will be covered as part of the initial treatment for the first 24 months. If the initial root canal therapy was performed by a non-participating provider, the retreatment of such root canal therapy by a Willamette Dental Group dentist will be subject to the applicable copayments.

The services provided by a dentist in a hospital setting are covered if medically necessary; authorized in writing by a Willamette Dental Group dentist; the services provided are the same services that would be provided in a dental office; and applicable copayments are paid.

The replacement of an existing denture, crown, inlay, onlay, or other prosthetic appliance is covered if the appliance is more than 5 years old and replacement is dentally necessary.
