NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF BONNEVILLE COUNTY, IDAHO:

Section 1. That all of the proceedings heretofore taken and adopted for the creation of said Local Improvement District No. 1 of Bonneville County, Idaho, and for the construction of improvements therein, and the assessment of a part of the cost of constructing such improvements on and against the private properties in said District, including the provisions of the Ordinance creating the County's Local Improvement Guaranty Fund, which shall apply to the bonds hereafter mentioned, shall be and the same are hereby ratified, approved and confirmed.

Section 2. That the unpaid assessments chargeable to the abutting, adjoining, contiguous and adjacent lots, blocks and parcels of land within said District shall be paid for in installments payable as nearly as may be possible in ten equal annual payments on or before the eighth day of December in each of the years from 1977 to 1986, both inclusive, and bearing interest on the unpaid principal thereof from the eighth day of December, 1976, at the rate of 5.40% per
annum, one year's interest being payable annually on or before the eighth day of December in each of said years, both the principal of and the interest on said assessments being payable in lawful money of the United States of America at the office of the County Treasurer. If any installment is not paid within twenty (20) days from the date said installment shall become due, the same shall become delinquent and penalties and interest may be added thereto as provided by law.

Section 3. That the Treasurer be, and he is hereby authorized and empowered, and it shall be his duty, to receive and collect all assessments levied to pay the cost of said improvements, the installments thereof, the interest thereon and the penalties accrued, including the whole of the unpaid principal of the assessment which may be declared by resolution of the Board of County Commissioners to be immediately due and payable because of the failure to pay any installment, whether of principal or interest, when due, and to pay and disburse such payments to the person or persons lawfully entitled to receive the same, in accordance with the laws of the State of Idaho and all the ordinances and resolutions of said County heretofore or to be hereafter adopted. All monies constituting the payment of principal of said unpaid installments of assessments shall be placed in a separate fund to be designated "Bond Fund of Local Improvement District No. 1 of Bonneville County, Idaho," and shall be used as soon as they are available therefor for the purpose of paying the principal of the local improvement bonds hereinafter

All monies constituting the payment of interest on said unpaid installments of assessments shall be placed in a separate fund to be designated "Interest Fund of Local Improvement District No. 1 of Bonneville County, Idaho," and shall be used as soon as they are available therefor for the purpose of paying the interest on said local improvement bonds and for no other purpose whatsoever, and as security for such payment, said Interest Fund is hereby pledged. That the Treasurer shall mail notice of payment of subsequent installments of assessments becoming due, including principal, interest and penalties for delinquencies, pursuant to the provisions of the Idaho Code. The failure of the Treasurer to mail any such notice or to do any other act or thing required by said Code shall not affect such assessment or installment, nor extend the time for payment thereof, but shall subject the Treasurer to liability to the taxpayer for any damage he may sustain by reason of such failure.

Section 5. That if the owner of any lot or parcel of land assessed of said improvements shall be delinquent in the payment of any assessment, installment of principal or interest due, and shall not remedy such delinquency within the period provided by law, penalties and interest may be added thereto as provided by law. In the event of such delinquency, the Board of County Commissioners may, at its option, by resolution duly adopted, declare all unpaid installments and the whole assessments made against any such property immediately due, payable, and delinquent, and may thereupon cause a delinquency certificate to be issued against said property for the whole of the assessment against it, in the manner provided by the Idaho Local Improvement District Code, and the Board of County Commissioners shall pass such resolution upon the written request filed with the Clerk of the holders of one-half of the Bonds herein authorized.

This bond is one of a series of 60 bonds, all of like date, tenor and effect, except as to denomination, and maturity aggregating in principal the sum of $259,290 issued by the County for the purpose of paying a portion of the costs and expenses of grading, regrading, paving, repaving and improving certain streets, construction of sanitary
