Bonneville County Assessor

Dear Assessor Mueller:

It is with great pride that we serve your DMV’s needs by providing online vehicle registration renewals to your county. Thank you for entrusting Access Idaho with such an important part of your business operations. We pride ourselves on providing exceptional service at no cost to your county’s budget.

To cover business support costs and investments in future enhancements, the statewide online price per transaction will be adjusted from 3% +$1.00 to 3% + $2.00, effective July 1, 2016.

Our contract with the state specifies that we operate only with Idaho government entities, including counties, cities, state agencies, and school districts. To accomplish this task successfully, we reinvest the transactional Portal fee into an enterprise-wide model. This creates a self-sustainable funding stream in support of Idaho’s local governments with technology programs.

Please note that your county will still not incur any costs due to the change. Only customers who choose to renew their vehicle registration online pay for the service. However, to document the adjustment, we require a signed amended addendum. Please have your commissioners sign the enclosed amendment and send back to our office by June 30. Once I sign it, you will receive a fully executed copy for your records.

If you have any questions, please contact me at 208-332-0102 (toll-free outside Boise area: 877-443-3468), or at jeff@accessidaho.org.

Thank you for your cooperation and continued business. We look forward to providing your office with many more years of exceptional service.

Sincerely,

Jeff Walker  
General Manager
