

NO. 16-01

AMENDED RESOLUTION OF INTENTION

BONNEVILLE COUNTY LIGHTING DISTRICTS

Nos. 96, 97, 98, 99, 100, 101 Inclusive

BONNEVILLE COUNTY, IDAHO

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF BONNEVILLE COUNTY, IDAHO, as follows:

WHEREAS, the owners of properties in various subdivisions of the County have requested the County Commissioners to form lighting districts applicable to each such area and subdivision to provide security lighting for the safety, welfare, and benefit of the residents of the respective areas;

WHEREAS, Bonneville County (the "County"), through the County Commissioners, has legal authority under the Idaho statutes to impose and collect fees for services provided by the County which would otherwise be funded by ad valorem tax revenues; and

WHEREAS, fees collected pursuant to the authority of the Idaho statutes should be reasonably related to but should not exceed the actual cost of the service being rendered; and

WHEREAS, the owners of the respective areas who have requested lighting districts to be formed, constitute a majority of the ownership within each of the respective areas, or have entered into a development agreement agreeing to install a security lighting system, and that such owners have requested for each of the respective areas that the County Commission set up lighting districts for each of said distinct areas to which said owners are associated, by which they shall collect fees to defray the cost of furnishing electrical energy and power for the operation and maintenance of a security lighting system; and

WHEREAS, the owners of such areas, as owners or as developers, have or will have installed the security lighting systems pursuant to the specifications of the County engineering department and have agreed by Development Agreement to the creation of lighting districts; and

WHEREAS, the fees to be charged in the lighting districts will be designed to pay the operation and maintenance cost to Rocky Mountain Power Company under schedules adopted by the Idaho Public Utilities Commission to provide security lighting.

NOW, THEREFORE, BE IT HEREBY RESOLVED, that it is the intention of the Bonneville County Commissioners to establish various Bonneville County Lighting District for each of the subdivisions and areas which have requested such security lighting and to establish

such lighting districts to collect fees to pay the operation and maintenance costs of Rocky Mountain Power Company under schedules adopted by the Idaho Public Utilities Commission for the furnishing of energy and power to operate a security lighting system. The fees and charges collected will be for the operation and maintenance on a continuing basis and will be imposed and collected for services provided by the County which would otherwise be funded by ad valorem tax revenues. The intent is to collect fees pursuant to the authority of the Idaho statutes which shall be reasonably related to but will not exceed the actual cost of the service being rendered;

FURTHER RESOLVED, that it is the intention of the Bonneville County Commissioners to establish a lighting district for each of said subdivisions, hereinafter designated.
